Make Super Present

Supplies: Empty box; scotch tape, ribbon/bow, wrapping paper; poem.

This is a very special and simple gift to make.

1. Wrap an empty box. Add a ribbon, bow and decorate it as you wish.
2. Print the Christmas Card file. The key to the gift is the poem that is inside the note.
3. The card will print out as shown. After decorating it, you will fold it in half and then in half again.
4. Color the star tree as you wish with crayons, colored pencils, glitter, whatever!
5. Then just add to package and give.
